SYNOPSIS

On February 23, 2020, Internal Affairs Bureau (IAB) Sergeants Shawn O'Donnell, Jeremy Carr, and Lieutenant David Grall responded to Malibu Lost Hills Station regarding a Category 3 use of force. The force occurred on the southbound 101 Freeway at Kanan Road, Agoura Hills. The suspect sustained a right orbital fracture, which was documented under URN: 920-01160-2224-201 **[Exhibit A]**.

SUMMARY

On February 23, 2020, Deputy Christopher Loman was assigned to Malibu Lost Hills Station as Unit 226 on early morning shift. Deputy Loman was traveling southbound on the 101 Freeway at Kanan Road, when he saw multiple vehicles stopped near the center of the freeway with smoke emitting from a vehicle. Deputy Loman believed a vehicle collision may have occurred. Deputy Loman turned on his flashing lights to block oncoming traffic to prevent another collision.

Deputy Loman approached the area in his vehicle where the smoke was rising. Deputy Loman saw debris, vehicle parts scattered throughout the freeway. He also saw several people standing outside of their vehicles. As Deputy Loman drove closer to the smoke, he saw a grey Nissan Murano (Ca # [redacted]) facing northbound. The vehicle was unoccupied, and the driver's side door was open. A witness (Witness [redacted]) at the scene pointed toward a male Hispanic adult (Suspect Andrade) and said, "He is really drunk." Deputy Loman noticed Suspect Andrade could not keep his balance or stand straight. As Deputy Loman watched Suspect Andrade, he saw him stumble into oncoming traffic.

> **IAB Note: Suspect Andrade's full name is William Eduardo Andrade Leon. He uses Andrade as his last name, as opposed to Leon.**

Deputy Loman feared Suspect Andrade would get be struck by oncoming traffic. Deputy Loman used his hands to grab both of Suspect Andrade's arms, and placed his

arms behind his back. Suspect Andrade immediately started to pull away from Deputy Loman and yelled at him in Spanish. Deputy Loman noticed Suspect Andrade's speech was slow and he could not understand what Suspect Andrade was trying to communicate to him. Deputy Loman smelled the odor of an alcoholic beverage emitting from Suspect Andrade's person. Suspect Andrade continued to pull away from Deputy Loman's control hold. Deputy Loman gave Suspect Andrade verbal commands to relax and to stop pulling away from him. Deputy Loman was able to keep a hold of Suspect Andrade's arms as he continued to flail his body left and right while moving toward oncoming traffic.

Deputy Loman feared Suspect Andrade would get struck by oncoming traffic and pulled him back from the vehicles, which were traveling at high rates of speed. Deputy Loman placed Suspect Andrade against the rear driver's side quarter panel of the vehicle involved in the collision to keep him from walking into oncoming traffic. Deputy Loman used his handheld radio and requested two units backup to his location.

Suspect Andrade continued to flail his body from the left to right, and tensed up his arms. Deputy Loman gave Suspect Andrade additional commands to stop fighting. Suspect Andrade continued to yell at Deputy Loman in Spanish and pushed his body off the vehicle. Deputy Loman believed Suspect Andrade was trying to create space to free his arms. Suspect Andrade continued to resist and tried to pull away. Suspect Andrade's actions prevented Deputy Loman from transmitting on his radio to coordinate the backup units to his location. Deputy Loman asked a male (Witness [redacted]) at the scene to push the transmit button on his radio so he could communicate with responding units.

Suspect Andrade became agitated and continued to yell at Deputy Loman in "slurred Spanish." Simultaneously, the suspect pushed his entire body off the vehicle in order for Deputy Loman to "lose his balance". Deputy Loman continued to give Suspect Andrade commands to stop fighting. Suspect Andrade began to turn his body in a clockwise manner to face Deputy Loman. Suspect Andrade continued to resist and tried to pull away from Deputy Loman. Deputy Loman feared he would be pushed into oncoming traffic. Deputy Loman dropped his right leg back and simultaneously rotated his body clockwise, taking the suspect to the ground. The suspect landed on his stomach. Deputy Loman managed to maintain control of Suspect Andrade's body. Suspect Andrade immediately stopped fighting. Deputy Loman did not see the suspect strike his head on the ground.

While on the ground, Deputy Loman maintained a kneeling position and used his left knee to pin Suspect Andrade's left arm down, while controlling his right arm behind his back. Deputy Loman controlled Suspect Andrade on the ground. Deputy Loman requested paramedics and a supervisor to his location.

Deputy Long (Unit 226) was the first backup unit to arrive on the scene and saw Suspect Andrade lying face down on the ground, while Deputy Loman pinned Suspect Andrade's body down with his knee. Deputy Long immediately held down Suspect

Andrade's feet with both his hands while Deputy Loman held down his upper body. Unit 224A (Deputies Menejyan and Matthew) were the second backup unit to arrive on scene. Deputy Menejyan placed handcuffs on Suspect Andrade, who no longer resisted. Deputies Menejyan and Long helped Suspect Andrade stand up. Deputies Menejyan and Long walked Suspect Andrade to their patrol vehicle without further incident.

Los Angeles County Fire Department (LACFD) personnel responded to the scene and evaluated Suspect Andrade's injuries. California Highway Patrol (CHP) Officer [REDACTED] #[REDACTED] responded to the location and took control of the vehicle collision investigation, report number #9580-2020-00621 **[Exhibit B]**. Suspect Andrade was subsequently transported by Deputies Menejyan and Matthews to West Hills Hospital and Medical Center for treatment and clearance to be booked. Suspect Andrade was diagnosed with a right orbital fracture. Refer to Suspect Andrade's medical records **[Exhibit C]**.

IAB Note: Suspect Andrade was determined to be the rear passenger in the vehicle involved in the traffic collision.

Deputies identified four witnesses at the scene. Sergeant James Callahan, #[REDACTED] interviewed Witnesses [REDACTED] [REDACTED] [REDACTED] and [REDACTED] at the scene. Witness [REDACTED] (listed in **Exhibit A**) left the location prior to Sergeant Callahan's arrival and did not give a statement.

Deputies Loman, Long, Menejyan and Matthews reported their actions and observations to Sergeant Callahan **[EXHIBIT A]**.

INVOLVED EMPLOYEE DEPUTY CHRISTOPHER LOMAN

On May 14, 2020, Deputy Loman was interviewed by IAB Sergeants Shawn O'Donnell and Louis Serrano at Internal Affairs Bureau. Attorney Elizabeth Gibbons, from the Gibbons Firm represented Deputy Loman during this interview.

On February 23, 2020, Deputy Loman was working Unit 226, assigned to Malibu Lost Hills Station. At approximately 0044 hours, Deputy Loman was traveling southbound on

the 101 Freeway at Kanan Road, when he saw smoke coming from a vehicle and debris on the freeway. As Deputy Loman drove closer, he saw a gray Nissan Murano in the center of the freeway that was involved in a collision. Deputy Loman also saw numerous people at the scene. Deputy Loman exited his vehicle, and Witness [redacted] pointed at a male (Suspect Andrade) and said, "He is really drunk." Deputy Loman attempted to ascertain if the occupants of the vehicle needed medical attention and to get them off the freeway.

Deputy Loman saw Suspect Andrade stumbling into oncoming traffic as vehicles were speeding past him. Deputy Loman feared Suspect Andrade could be struck by oncoming traffic. Deputy Loman gave Suspect Andrade verbal commands to get out of the traffic lane. Suspect Andrade continued to stumble and did not comply with Deputy Loman's commands. Deputy Loman grabbed Suspect Andrade's arms and escorted him toward the rear of the vehicle. Deputy Loman smelled the odor of an alcoholic beverage coming from Suspect Andrade's person.

Suspect Andrade began to pull away from Deputy Loman grasp while attempting to walk into oncoming traffic. Deputy Loman gave Suspect Andrade multiple commands to "stop" and "relax." Suspect Andrade thrashed his body to the left and right while continuing to walk toward traffic lanes. Deputy Loman used his body against Suspect Andrade's body to pin him against the vehicle.

Deputy Loman requested the witness's help so he could maintain his grip on Suspect Andrade. Deputy Loman gave Suspect Andrade more commands to stop or he would take him to the ground. Suspect Andrade refused to comply with Deputy Loman's commands. Fearing Suspect Andrade would push Deputy Loman into traffic, Deputy Loman pivoted his body, dropped back his right foot, turned his body clockwise while maintaining Suspect Andrade's arms behind his back and took him down to the ground. Deputy Loman landed on top of Suspect Andrade. Deputy Loman used his left knee from a kneeling position to pin Suspect Andrade's left arm down and maintained control of Suspect Andrade's right arm behind his back. Suspect Andrade stopped resisting Deputy Loman while on the ground. As he maintained control of Suspect Andrade on the ground, Deputy Loman requested for the fire department and a supervisor to his location.

Deputies Long, Menejyan and Matthews arrived at the location. Deputy Long held down both of Suspect Andrade's feet with his hands. Deputy Menejyan handcuffed Suspect Andrade without resistance. Suspect Andrade was escorted to Deputy Menejyan's patrol vehicle. Deputy Loman located Witnesses [redacted] [redacted] and [redacted] who witnessed the use of force. On February 23, 2020, Deputy Long was working Unit 222A, assigned to Malibu Lost Hills Station on the early morning shift. During his shift, he heard Unit 226 (Deputy Loman) ask for emergent backup on the 101 Freeway. Deputy Long responded Code-3 (emergency lights and siren) to the 101 Freeway just north of Kanan Road off ramp. Deputy Long said it took him approximately three minute to arrive at the location.

Upon arrival, Deputy Long saw debris from a traffic collision on the number three and four lanes of the 101 freeway. Deputy Long saw a male individual (Suspect Andrade) lying in a prone position while he kicked his legs. Deputy Loman was in a kneeling position with one knee (unknown which knee) on the ground and his other knee on Suspect Andrade's back. Vehicle traffic from the 101 Freeway veered around Deputy Loman and Suspect Andrade. Deputy Long ran to Deputy Loman's position and immediately held down the suspect's legs. Suspect Andrade did not resist while he held down Suspect Andrade's calves. While on the ground, Suspect Andrade screamed toward the deputies. Deputies Long and Menejyan placed Suspect Andrade on his side and helped him onto his feet. Deputies Long and Menejyan walked Suspect Andrade to Deputy Menejyan's patrol vehicle and placed him in the back seat. Deputy Loman requested the fire department to the scene to treat Suspect Andrade for his injuries. Deputy Long said CHP arrived and took control of the traffic collision investigation. and Matthews responded Code-3 to the 101 Freeway just north of the Kanan Road off ramp. Deputy Menejyan took approximately five minute to arrive at the location from the city of Calabasas. When Deputy Menejyan arrived, he saw a vehicle in the middle of the freeway. Next to the vehicle, Deputy Menejyan saw a male Hispanic lying face down on the ground with Deputies Loman and Long, holding him down. Suspect Andrade did not resist the deputies at that point. Deputy Menejyan ran over to the suspect and placed handcuffs on him without any resistance.

Deputies Menejyan and Long assisted Suspect Andrade onto his feet. Deputy Menejyan smelled a strong odor of an alcoholic beverage emitting from Suspect Andrade's person. Due to Suspect Andrade's intoxication level, Deputies Menejyan and Long helped Suspect Andrade walk to Deputy Menejyan's patrol vehicle. Suspect Andrade was placed in the backseat without incident.

Deputy Menejyan said the fire department arrived at the location and treated Suspect Andrade for his injuries. Deputies Menejyan and Matthews transported Suspect Andrade to the hospital for further treatment. During the transportation of Suspect Andrade, he urinated on himself in the backseat of the patrol vehicle. Suspect Andrade was treated by Dr. Bedi. On February 23, 2020, Deputy Matthews was working Unit 224A, assigned to Malibu Lost Hills Station on the early morning shift with his [redacted] Deputy Menejyan. Deputy Matthews heard Unit 226 (Deputy Loman) ask for assistance for a deputy involved in a fight on the 101 Freeway. Deputies Matthews and Menejyan responded Code-3 to the 101 Freeway near Kanan Road. Deputy Matthews said it took him approximately three to four minutes to arrive at the assistance location.

Upon arrival, Deputy Matthews saw Deputy Loman's patrol vehicle in the middle of the freeway with its rotating lights on. Deputy Matthews pulled behind Deputy Loman's vehicle, and Deputy Menejyan ran to assist Deputy Loman. Deputy Matthews exited his vehicle and saw a male Hispanic (Suspect Andrade) lying on his side on the ground. Deputy Matthews saw Deputy Long near Suspect Andrade's feet while Deputy Menejyan placed handcuffs on the suspect. Deputy Matthews did not see Suspect Andrade resist the deputies at any time. Deputy Matthews said Suspect Andrade appeared very intoxicated. He and Deputy Menejyan helped the suspect stand up. Deputies Matthews and Menejyan escorted Suspect Andrade to their patrol vehicle without incident. Deputy Matthews observed a laceration to Suspect Andrade's forehead and the side of his face.

Deputies Matthews and Menejyan transported Suspect Andrade to the hospital for further medical treatment and an "ok to book." While transporting Suspect Andrade to the hospital, he urinated on himself in the backseat of the patrol vehicle. Deputies Matthews and Menejyan later transported and booked Suspect Andrade at Malibu Lost Hills Station without incident.
